Work Experience

Jan 2024 - Present

AI Training and Educational Collaboration - Skilla (Contract)

Delivery of corporate AI training sessions and support for software development initiatives.

City: Various locations

Country: Italy

Work setup: Hybrid

Oct 2025

Professor - AGENZIAPIU' SPA (Part-time)

Delivered a 12-hour introductory course on Artificial Intelligence for FORMA.TEMP, covering key concepts, generative AI, practical tools, and ethical aspects through lectures and hands-on activities.

City: Tolentino

Country: Italy

Work setup: On-site

Mar 2025 - Jun 2025

Adjunct Lecturer in Information Processing Systems - University of Camerino (Full-time)

Teaching activities focused on Machine Learning and Generative Artificial Intelligence tools.

City: Camerino

Country: Italy

Work setup: On-site

May 2023 - Oct 2023

Scholarship Fellow - Informatica Unicam (Full-time)

Developed innovative software solutions based on Machine Learning techniques for personalized learning paths in Moodle e-learning platforms. Analyzed user-generated data to provide automatic student suggestions based on learning style and performance. Integrated the intelligent system with Moodle and

conducted testing on university courses. Contributed to the EDIH4Marche European project promoting AI and Machine Learning testing and experimentation services for companies adopting emerging technologies.

City: Camerino

Country: Italy

Work setup: Hybrid

Sep 2022 - Dec 2022

Professor - ITIS Eustachio Divini (Full-time)

City: San Severino Marche

Country: Italy

Jun 2021 - Oct 2022

Rider - Deliveroo (Part-time)

City: Macerata

Country: Italy

Apr 2022 - Jul 2022

Professor - IIS Garibaldi Macerata (Part-time)

Teaching activities including Scratch and Microsoft Office courses.

City: Macerata

Country: Italy

Mar 2021 - Jun 2021

Working Student - DevQ S.r.l. (Part-time)

City: Corridonia

Country: Italy

Education

Jan 2026 - Present

Ph.D. Visiting - Middlesex University

Visiting Ph.D. period carried out in person.

Middlesex University

City: London

Country: United Kingdom

Study mode: On-site

01/11/2023 – Present

Ph.D. in LESDIT

(Learning Sciences and Digital Technology)

Unimore - University of Modena and Reggio Emilia

City: Modena

Country: Italy

Study mode: Remote

Website: <https://learning.phdlesdit.eu/>

30/10/2020 – 30/01/2023

M.Sc. in Computer Science, Unicom (Grade: 106/110)

Thesis: A management software for an innovative blockchain-based laundry

Unicom - <https://www.unicom.it/>

City: Camerino

Country: Italy
