

Leonardo Mogianesi

Date of Birth: 28/12/1997 | **Nationality:** Italian
Address: 62100, Macerata, Italy
Email: leonardo.mogianesi@unicam.it | **Phone:** (+39) 3663467422
Orcid: 0009-0009-6414-3602 | **OpenBadge Profile:** [Leonardo Mogianesi Profile](#) | **Google Scholar:** [Profile](#) | **ResearchGate:** [Profile](#)

PhD candidate in Learning Sciences and Digital Technologies (LESDIT) at the University of Modena and Reggio Emilia. My research focuses on developing AI-based virtual tutors within immersive learning environments to support students in STEM education through intelligent assistance and adaptive feedback. In my studies, I use virtual learning spaces, machine learning, and speech-driven interaction to explore new forms of intelligent and interactive education.

Education and Training

11/01/2023 – Present
PhD in LESDIT
(Learning Sciences and Digital Technologies)
Unimore - University of Modena and Reggio Emilia
City: Modena
Country: Italy
Website: [learning.phdlesdit.eu](#)

10/30/2020 – 01/30/2023
Master’s Degree in Computer Science (Grade: 106/110)
Thesis: A management software for an innovative blockchain-based laundry
Unicam - [unicam.it](#)
City: Camerino
Country: Italy

Research Projects and Publications

- Educational Escape Room on Unreal Engine**
Development of a serious game featuring an AI tutor to solve physics-based puzzles.
- CodeTutor**
Intelligent tutoring system for learning programming, with automated code analysis support.
- Animated Tutor with Lip Sync in Unreal Engine 5**
Creation of a virtual tutor capable of realistic lip synchronization with speech.

Teaching and Academic Activities

- Teaching Assistant in Computer Science** – Preparation of educational materials and assistance during labs at the University of Camerino.
- Moodle and e-learning Management** – Maintenance and updates of the university’s e-learning systems.
- Exam Support** – Assistance during online examination sessions.
- Participation in LESDIT PhD Lectures** – Focus on Learning Sciences and Digital Technologies.

Conferences and Seminars

- Summer School LESDIT-SIREM 2024**
“Social Media Literacy: From the Individual to the Community”
 - ISYDE 2024 Conference**
June – Presentation of two scientific contributions.
 - HELMeTO 2025 – Naples**
Abstract presentation.
 - MetroXRAINE 2025**
Poster, abstract, and forthcoming publication.
- Published Abstracts**
ISYDE (ID: 111, p.27), (ID: 125, p.65) – [Book of Abstracts](#)
HELMeTO 2025 – p.209 – [Book of Abstracts](#)
MetroXRAINE 2025 – Abstract + publication (forthcoming) – [Conference Website](#)

- Published Articles**
CodeTutor: personalized programming learning through automated feedback and clustering – [ResearchGate Link](#)
ISYDE 2024 Conference Publication, *Book of Proceedings ISYDE*, pp. 388–454 – [Book of Proceedings](#)

Work Experience

03/01/2025 - 06/01/2025
University Lecturer
Teaching the course “Information Processing Systems” (20 hours)
Institution: University of Camerino
Country: Italy

10/01/2025 - 11/01/2025
Corporate Trainer
Course “Using AI at Work” (12 hours) for company staff
City: Tolentino
Country: Italy

05/01/2023 – 11/01/2023
Research Fellow
Digital innovation and development of online educational services at Unicam
City: Camerino
Country: Italy

10/04/2022 – 12/23/2022
Computer Science Teacher
Teaching at ITIS DIVINI
City: San Severino Marche
Country: Italy

04/26/2022 – 06/16/2022
Computer Science Teacher
Teaching at IIS Garibaldi
City: Macerata
Country: Italy

03/15/2021 – 06/15/2021
Application Developer
Frontend developer (Angular) at DevQ S.R.L.
City: Macerata
Country: Italy

2019 – 2020
Web Developer
Web Developer at Task S.R.L.
City: Macerata
Country: Italy

Language Skills

Native Language: Italian
English: B2 (Listening, Reading, Writing, Speaking)

Digital Skills

- Microsoft Office
- HTML, CSS, PHP, jQuery, JavaScript
- Angular 11+
- Java, OOP
- Web Development, REST
- XAMPP, WAMPP, Apache, Tomcat
- Adobe Lightroom, Photoshop
- Blockchain
- SQL, MySQL, MongoDB

- Metahuman, Unreal Engine 5
- Machine Learning
- Moodle, Joomla
